PEACE REFORMED CHURCH

SHARING THE LOVE & PEACE OF JESUS CHRIST

Join us this Sunday, January 30, with Pastor Jason Van Wyk at 9:30 a.m.

Praise Team: Vern and Deb Van Peurse, Lindsay Hunter

Special Music: Lindsay Hunter

Scripture: Numbers 16:41-50

Summary: Usually we think of the plagues in the Bible as God's means of freeing Israel from slavery in Egypt. This time the plague is breaking out against Israel. It's up to Aaron and Moses to mount a rescue mission in the nick of time.

4 ?s:

- What do you think Aaron was thinking and feeling during this story?
- In what ways does this example from Aaron's life point to Jesus?
- How have you been one of the Israelites in this story?
- How can you follow the example of Jesus and Aaron?

Application Options:

- Pray, giving thanks to God for His saving work in your life.
- List specific examples in your life of ways you have seen Jesus rescuing you from death and sin.
- Stand in gap for someone in your life. Bringing and offering life where they are experiencing death.
